Recorder: Kya Schnettler

Attendance: Kya Schnettler, Colleen Deanovich, Sharon Simmons, Joel Mason, Jeff Butz, Jean Rusch, Derek Toshner, Sandi Roehrig

Topic:	Major Points Discussed:	Action Required:	Assigned to:	Due Date:
Y5210 at Sabish Middle School	Kya shared with the group an update on Y5210 at Sabish which kicked off system wide on December 12 th . Kya, Patti Shippe, and Joanie Hammer the pe teacher created a program where students will read an article about Y5210 and then journal about how they can use it in their lives. Students will then log their behavior for 4 weeks in January. Students who log all 4 weeks will be entered into a photo contest competition with 4 winners being the new “face” of Y5210 at their school.	None	Kya and Patti will continue to see program through.	End of January
Google Analytics on Website	Kya passed out the google analytic report for the Living Well website since July. The YMCA is the 3 rd referring website next to direct traffic and google. Please help promote the website on your organizations media. There have been over 500 visits so far this year.	Promote www.livingwellfdl.org on your organization’s media.	All members	In Progress
Built Environment/Physical Activity Subcommittee Report	Sandi reported that the foundation raises \$25K for the Fond du Lac Loop. \$18K more is needed to complete phase 1 and 2. Thank you to Wisnet and Agnesian for their generous in kind donations. Phase 1 will be complete this spring. A kickoff event that this subcommittee is leading is planned for Sunday May 18 th at 1pm. Location TBA.	Visit the loop website January 1 st – www.fdlloop.com Direct anyone interested in donating to the Fond du Lac Area Foundation	All members	In Progress

	The Fond du La loop website will be live January 1 st .			
Breastfeeding Promotion Subcommittee Update	<p>Colleen reported that the committee is continuing to meet and move forward with the Breastfeeding Friendly Childcare initiative to promote working moms breastfeeding.</p> <p>Sandi suggested the foundation has funds available for training at area daycares.</p> <p>Derek also has a strong day care connection he will share with Kya.</p>	The subcommittee will be looking at a pilot project conducted last year in Wood county that is now getting some state attention where there is trainings done with local child care centers to help them become breastfeeding friendly centers.	Breastfeeding Subcommittee	In Progress
Fruit/Vegetable Promotion Subcommittee Update	<p>Farmers market year end totals include \$3230 spent through Food Share and \$1805 in credit cards totaling \$5035.</p> <p>Kya has been in discussions with Festival about donating produce for the Fresh 5 program hopefully launching this summer.</p>	None at this time	Fruit/Vegetable Subcommittee	In Progress
Announcements	Fridays continue to be a problem for many members. Please look for a doodle poll from Kya about future days for the meeting.
