Crisis Plans	Mark and Jim report that system now in place for Lakeland Care District to have their crisis plans for their consumers in Agnesian database. This will assist Emergency Room providers in providing best care for these individuals. Gregg states Chief Lamb is open to having this information (from any provider) also.	Jim will see if Agnesian is open to getting this information from other behavioral health and related providers on their clients. Gregg will follow-up with Chief Lamb regarding what data base they would have to store this information. Becky will follow-up with Sheriff Fink to see if their department would want this type of information.	Jim Gregg Becky	3/25/15 Update 3/25/15 Update 3/25/15 Update

	<p>Becky reports that any behavioral health or related provider can submit information on a client to them (either on DCP's form or other format), and DCP crisis staff will utilize that information if they come into contact with this individual.</p> <p>Education/promotion of above.</p>	<p>Becky will send an electronic copy of this form to Gregg who will send out to team members.</p> <p>Once all of above finalized – we know what information Agnesian will take, City Police and County Sheriff's Dept (if they decide to do this) have system to store information, and we have current DCP county form - we will discuss how to inform various agencies of this resource.</p>	<p>Becky and Gregg</p> <p>Team</p>	<p>3/25/15 Update</p> <p>Discuss further at 3/25/15 meeting</p>
Mental Health Services in Emergency Rooms	<p>Jim states he is working with leadership in Agnesian ER and Wisconsin United for Mental Health (http://www.wimentalhealth.org/emergency-dept) on providing a local summit on issue.</p>	<p>Jim will continue to work with these folks to develop the summit.</p>	<p>Jim</p>	<p>3/25/15 Update</p>
New Plan – 2015 – 2018	<p>Group discussed format of current plan and decided that Goals should be the current "Areas of Focus", but that these needed to be re-worded to sound more like a goal. Rest of format fine. Did add to last</p>	<p>Assigned individuals come to next meeting with goal re-written to discuss and finalize</p>	<p>As indicated (highlighted) on plan.</p>	<p>3/25/15 Update</p>

	<p>goal two more populations to focus on – individuals with Intellectual disabilities, and individuals with serious and persistent mental illness.</p> <p>See attachment on e-mail – access15-18draftplan2.doc. For each Goal (left hand column), individuals have been assigned to come to next meeting with that goal re-worded to sound more like a goal.</p>	with larger group.		
Mobile Crisis Team	<p>Mobile Crisis Team – Chief Bill Lamb has found a grant from federal Department of Justice that appears applicable to fund this type of service.</p>	<p>Gregg and Matt will work with Chief Lamb to look further into feasibility of grant, and if indicated, steps will be taken to submit the grant and work with stakeholders.</p>	<p>Matt and Gregg</p>	<p>3/25/15 Update</p>
