Topic:	Major Points Discussed:	Action Required:	Assigned to:	Due Date:
Breastfeeding Promotion Subcommittee Update	Kya reported that the process with the Breastfeeding Friendly Childcare Training is moving forward. The subcommittee is reaching out to local childcares through the Child Care Resource and Referral network and will be writing for funding to the Fond du Lac Area Foundation this spring.	Write for Funding	Subcommittee	Spring
Built Environment/Physical Activity Subcommittee Report	The Loop kickoff will be on Saturday May 3 in conjunction with the YMCA/B&G Club Healthy Kids Day and the safety council's Bike Rodeo at the YMCA. Loop kickoff will be at noon on the Brooke Street Trail. Sharon suggested connecting with the school district and safe routes to school on advertising. Sam shared that the new Kwik Trip at 41 and Hickory approached him to make sure they can connect their parking lot to the Wild Goose Trail!	Visit the loop website January 1 st – www.fdlloop.com Direct anyone interested in donating to the Fond du Lac Area Foundation	All members	In Progress
Fruit/Vegetable Promotion Subcommittee Update	Fresh 5 Progress – Kya reported an initial meeting with Festival for food donation went extremely well. One more follow up is required. Dr. Schmidt reported we have 7 interested practitioners. Logistics will be nailed down in the coming weeks to secure donation and explore billing for clinicians. 	kickoff with 15 families.			
Living Well FDL Year In Review	Kya created a year in review document for 2013. Document is attached for distribution. Please let Kya know if you have any revisions.	None		
FondY5210	The idea of using FondY5210 as an educational campaign to reach out to the community throughout the lifespan was discussed and received well. This will flow nicely with Y5210 in the schools but bring it to the larger community.	Jeff Butz will follow up with Larry Richardson to see if Wisnet will donate some graphic artist time.		
Announcements	<p>Dr. Schmidt, Kya, and Amanda Miller will be meeting next week to discuss the initial steps of developing a food policy council. Stay tuned.</p> <p>Healthy Food for All Summit in Nennah on March 26th and 27th – email Kya for more details. \$30/person and Kya will be attending – would love to see a few coalition members there!</p>
