

<p>Mental Health Services in Emergency Rooms</p>	<p>Matt reports he was contacted by someone from Wisconsin United for Mental Health regarding one of their areas of focus which relates to individuals entering ED are provided mental health assessments/services/referrals.</p> <p>Jim reports Agnesian is looking into this and that The Monroe Clinic ED has implemented a program. The Monroe Clinic is part of the Congregation of the Sisters of St. Agnes in Monroe, WI.</p>	<p>1. Along with Lori Cardinal (Director of Agnesian ED) consult with The Monroe Clinic about their program.</p> <p>2. Give Wisconsin United for Mental Health contact Jim's name and number to contact.</p> <p>3. Mary Ellen, through NAMI, will purchase video this group has – <i>Competent Caring: When Mental Illness Becomes a Traumatic Event</i> – review, and report back to our group.</p>	<p>Jim</p> <p>Matt</p> <p>Mary Ellen</p>	<p>2/25/15 Update</p> <p>2/25/15 Update</p> <p>2/25/15 Update</p>
<p>New Plan – 2015 – 2018</p>	<p>Group feels we need to look at Outcomes – Are these the best measures of our work? Do we need them at all? Do we just go with the “Measures of Success” in our Interventions?</p>	<p>Review plan – both “Outcomes” and “Interventions” sections. Come back with feedback regarding additions, deletions, change in format, etc.</p>	<p>Team</p>	<p>2/25/15 further discussion.</p>
